Taylor Curley, Scholarship Winner

Hannah and Anita Araujo, empowering testimonial

An important message to participants:

Girls Inc. strives to give every girl the life skills she needs to achieve her dreams, to reach her full potential and to believe it when she says "I can". 2009 is our 25th anniversary year and we are celebrating by focusing on an exciting range of new programs and initiatives. We want all girls to have access to those life skills so we are adding more after-school and in-school programs across Durham and offering career-focused summer programming. Without the generous support of our sponsors, friends and donors this exciting new work would not be possible! All of their names are listed in this program and I encourage all of you to support the companies that have supported us this year. As always, the support and assistance of both the Board and staff has been a tremendous help — this event could not take place without them!

Thank you again for your support. I hope you've had a great day playing with us, and that we'll play together again at tournament #10!

Lori Jackson

Board Vice President, Tournament Chair
