

CHARITY GOLF TOURNAMENT

Committee Volunteers

Once a year Girls Incorporated of Durham holds a Charity Golf Tournament in the month of June, and is looking for new committee volunteers for next year's tournament. The committee is made up of Girls Inc. staff, board members and volunteers. The Golf Committee usually meets once a month in the evening from 7:30pm-9:00pm at our Girls Inc. office in Ajax, Ontario. This is a ten month commitment that begins in September and ends in June. At the meeting, committee members will divide the task list between each member. Some of the volunteer positions available are:

- **Finding major event sponsorships**
 - Using personal contacts and networks, the volunteer shall approach individuals and corporations that have the potential for major sponsorship. As a volunteer, you will explain the benefits of sponsorship and the rewards of such a contribution thereby fostering the philanthropic spirit.

- **Soliciting for silent auction items and golf prizes**
 - Can you smile, turn on the charm and sell the mission and values of Girls Inc. to business owners? We need persuasive and polite volunteers to negotiate free items of substantial value for our silent auction and golf prizes. This job will entail personally visiting businesses and establishing a rapport with the owners (not the front help or cashiers!) to encourage them to donate great items that people will want to bid on.

- **Selling foursome tickets for the big day**
 - A person with the gift of selling things easily is what we need! A golf tournament is only successful if lots of golfers participate. You will help to spread the word while interesting your contacts in signing up as golfers.

- **Designing and packing gift baskets and bags**
 - If you are creative and can make visually appealing packages, why not volunteer to design our gifts baskets? As items are collected, you will be responsible for grouping them and designing colour schemes that are sure to bring in the big bucks. These gift baskets will be used in the silent auction so they've got to be enticing!

- **Do You Have a Talent for Graphic Design?**
 - If so, put it to good use by updating event related materials; flyers, menus and programmes for the event! We use Microsoft Publisher and ask that any volunteers do so as well in order to make file sharing easy.
